### Specification:

Test Items	Specifications
Appearance	White solid powder
Molecular weight	(0.5 – 1.8) x 10 <sup>6</sup>
Sodium hyaluronate content	≥ 95%
Protein	≤ 0.1%
Loss on drying	≤ 10%
pH	5.0-8.5
Staphylococcus Aureus	Negative
Pseudomonas Aeruginosa	Negative
Heavy metal	≤20 ppm
Total Bacteria	< 100 CFU/g
Yeast and molds	< 50 CFU/g

***Recommended use level:***

0.1 – 1.0 %

***Use Method:***

Add in water phase directly.

***Package:***

1 Kg / bag.

***Storage:***

Store in a cool, dry and well-ventilated place and keep away from strong oxidants

***Shelf life:***

2 Years.
